AND ABSORBENT

Conni floor mat is a waterproof anti-slip floor protector designed to contain leaking that may occur when arising from bed or chairs. It can also be used in bathrooms and toilets or under commodes and IV stands.

The Conni floor mat is extremely low profile and remains firm and flat on the floor reducing the risk of slips, trips and falls. Anti-Slip performance is best achieved when the mat is used on a clean, smooth and flat non-textured floor. Some surfaces and floor cleaning products may interfere with the anti-slip performance.
